Using every resource at my command, I have gathered as much as I could for building the Temple of my God. Now there is enough gold, silver, bronze, iron and wood, as well as great quantities of onyx, other precious stones, costly jewels, and all kinds of fine stone and marble. And now because of my devotion to the Temple of my God, I am giving all of my own private treasures of gold and silver to help in the construction. This is in addition to the building materials I have already collected for his holy Temple. I am donating...gold...and silver...Now then, who will follow my example? Who is willing to give offerings to the Lord today? Then the (leaders)...all gave willingly...they gave...gold...gold coins...silver...bronze...iron...and precious stones...The people rejoiced over the offerings, for they had given freely and wholeheartedly to the Lord, and King David was filled with joy.
